

WEBSITE PRIVACY STATEMENT

Introduction

Data protection is a high priority for PJF Computer Solutions Ltd, and as such, no personal data is collected on our website; however, if a data subject wants us to contact them via our website, processing of personal data could become necessary. If the processing of personal data is necessary and there is no statutory basis for such processing, we will obtain consent via a printed form from the data subject prior to the commencement of any work.

The processing of personal data, such as the name, address, e-mail address, or telephone number of a data subject shall always be in line with the General Data Protection Regulation (GDPR), and in accordance with the United Kingdom data protection regulations applicable to PJF Computer Solutions Ltd. By means of this data protection declaration, we would like to inform the customers of the nature, scope, and purpose of the personal data we collect, use and process. Furthermore, data subjects are informed, by means of this statement, of the rights to which they are entitled.

As the controller, PJF Computer Solutions Ltd has implemented numerous technical and organizational measures to ensure the most complete protection of personal data processed through this website. However, Internet-based data transmissions may in principle have security gaps, so absolute protection may not be guaranteed. For this reason, every data subject is encouraged to transfer personal data to us via alternative means, e.g. by telephone, text email or even in person.

1. Definitions

Definitions in this document are listed in our Data Privacy Policy.

2. Contact possibility via the website

The website of PJF Computer Solutions Ltd contains information that enables a quick electronic contact and reporting to our Control Centre, as well as direct communication with us, including telephone numbers and email address. If a data subject contacts the controller by e-mail or via a contact form, the personal data transmitted by the data subject may be stored. Such personal data transmitted on a voluntary basis by a data subject to the data controller is stored for the purpose of processing or contacting the data subject. There is no transfer of this personal data to third parties.
